

GEORGIA

4 - H FOUNDATION

PROJECT ACHIEVEMENT SPONSORSHIP LEVELS

Each year, thousands of Georgia 4-H members participate in Project Achievement, exploring their interests in over fifty diverse content areas. The pinnacle of this cornerstone of Georgia 4-H is State Congress, where the very best in each category from across the state compete to become a Master 4-H'er. This philanthropy helps thousands of young people learn communication skills, how to develop a record of their achievement, and other life skills that prepare them for the future workforce. On behalf of those youth, thank you for your generosity.
