

Greetings,

Together We Elevate! This is the theme for the 2023 Georgia 4-H Foundation Gala. We are delighted to announce the Gala will be held on Saturday, August 19th at the Intercontinental Buckhead Hotel in Atlanta. We hope you will join us as we showcase our organization's effort to "Make the Best Better." Through this event, we seek to *cultivate* positive youth development opportunities, *innovate* programming, *celebrate* the achievement of our Lifetime Achievement Winner and our 4-H members, and *elevate* accessibility for all to participate. This special event will provide an opportunity for us to celebrate our 4-H legacy, enjoy fellowship with friends, and raise funds to support Georgia's largest youth development organization as it continues to reach our youth with lifelong skills.

We are excited to serve as Co-Chairs for this event. Our lives are examples of the proven impact available through experiences in Georgia 4-H. This organization has taught us leadership skills, dedication to community service, the treasure of long-lasting friendships, and the value of networking among our 4-H alumni.

Our fundraising mission this year is to address accessibility within the Georgia 4-H program. Accessibility is our overall theme, and this includes different facets including physical renovations to allow all to participate and financial assistance for members to engage in programming. We seek to provide financial support to be designated to these projects: installation of an elevator tower at the Rock Eagle mound, accommodations at our six 4-H centers, scholarships for campers and participants in other events, and donations for the general fund. Making our centers more accessible to all and decreasing financial barriers will enable our program to impact more youth and continue to make a difference for those involved far into the future.

The Georgia 4-H Foundation is a 501(c)(3) organization, making some or all of your gift tax-deductible. We sincerely hope you will consider investing in this important mission! *Together We Elevate* opportunities for Georgia 4-H members!

GEORGIA 4-H PREPARES YOUTH FOR LIFE

Georgia 4-H provides experiences for youth to learn by doing. Georgia 4-H'ers participate in hands-on learning in the focus areas of Agriculture and STEM, Civic Engagement, and Healthy Living. The 4-H mission is to assist youth in acquiring knowledge, developing life skills, and forming attitudes that will enable them to become self-directing, productive, and contributing citizens.

Agriculture & STEM

Youth focus on agricultural sciences, natural resources, environmental sciences, plant and animal sciences, agribusiness, rocketry, robotics, renewable energy, computer science, technology, engineering, and more.

Civic Engagement

Youth learn to be well-informed and engaged citizens through experiences focused on leadership, communication, performing arts, public speaking, organization, giving back to improve communities, and more.

Healthy Living

Youth focus on nutrition, obesity prevention, drug awareness, bullying prevention, health and fitness, financial literacy, clothing and textiles, safety, stress management, social and emotional wellness, food science, and more.
