

# 75th Anniversary Celebration

On November 17, 1948, a dedicated group of Extension professionals gathered around a small wooden table in hopes of providing financial support for the creation of Rock Eagle 4-H Center. Little did this group know, they would form a non-profit organization that would continue supporting Georgia 4-H'ers decades into the future. Although the Georgia 4-H Foundation was created to help build Rock Eagle 4-H Center, the Foundation has grown to include endowments, scholarships, and annual fundraising campaigns to support the wide variety of youth development programs available through Georgia 4-H.

To mark the 75th anniversary, the Georgia 4-H Foundation is hosting an Anniversary Celebration to honor donors and supporters from throughout the years. This event will include a special recognition of our previous **Green Jacket Award** recipients. This prestigious award is given to individuals who have shown outstanding, significant, and ongoing statewide support to Georgia 4-H. Through this event, we aim to raise resources in support of the Foundation's general fund. This fund covers prioritized needs including National Congress attendance, State Congress, and other positive youth development programs and activities throughout the year. We appreciate your consideration of a sponsorship to help us mark this momentous occasion!

**Location- The Georgia Club**

**Date- March 21, 2024**

**Time- 5:30-7:30**

## Green Jacket Award Winners
