4-H: A Georgia Classic is the theme for the 2025 4-H Gala which will be held in Athens, Georgia, on Saturday, August 23 at the Classic Center. We are honored and thrilled to serve as co-chairs for this important event to benefit an organization that has meant so much to so many – including us. In addition to raising funds for 4-H, reconnecting with old friends and making new ones, we will be honoring the recipient of the Lifetime Achievement Award. We are asking you to thoughtfully and generously include the Gala in your 2025 budget and to plan to attend the event. Remember – it only happens every two years!

Celebrating, for the first time, in the Classic City of Athens gives us a wonderful opportunity to highlight our ties to the University of Georgia's College of Agricultural & Environmental Sciences and to target our fundraising efforts to the classic fundamentals of 4-H—programming. The project work, team competitions, and camping programs are at the very core of 4-H and are essential to the development of our state's youth. These programs help make our young people beyond ready for careers and community leadership by giving them the skills they need to succeed. We want to make sure that every child, from every corner of the state, has these opportunities. Your support will help make this possible.

This packet includes information about the various levels of giving. The Georgia 4-H Foundation is a 501(c)(3) organization, making some or all your gift tax-deductible. Please do not hesitate to call or email if you have any questions.

Thank you so much for your consideration of supporting the 2025 4-H Gala. We hope to see you in Athens!
