**8,685**  
Residential Summer Camp Participants

# Preparing Young People For Life

Georgia 4-H provides experiences for youth to learn by doing. Georgia 4-H'ers participate in hands-on learning in the focus areas of Agriculture, Science, Civic Engagement, Leadership, Health, and Wellness. The 4-H mission is to assist youth in acquiring knowledge, developing life skills, and forming attitudes that will enable them to become self-directing, productive, and contributing citizens.

## Agriculture & Science

**112,501** 4-H'ers impacted in 2023-2024

Youth explore agricultural sciences, natural resources, environmental sciences, agribusiness, rocketry, robotics, renewable energy, computer science, technology, engineering, and more.

## Leadership & Civic Engagement

**137,581** 4-H'ers impacted in 2023-2024

Youth explore opportunities to be well-informed citizens through experiences focused on leadership, communication, performing arts, public speaking, organization, service to communities, and more.

## Health & Wellness

**48,289** 4-H'ers impacted in 2023-2024

Youth explore nutrition, obesity prevention, drug prevention, bullying prevention, fitness, financial literacy, clothing, textiles, safety, stress management, social and emotional wellness, food science, and more.

Georgia 4-H is guided by the "THRIVE" model for positive youth development.

Youth in Georgia 4-H explore their interests, discover their sparks, and engage in learning experiences that grow their social, emotional, and cognitive abilities. Through high-quality programs, youth find a sense of belonging and safe, positive relationships with caring adults. Georgia 4-H'ers are set on a pathway to adulthood that leads to academic and vocational success, happiness, and well-being.
