GEORGIA 4-H

GEORGIA 4-H PREPARES YOUTH FOR LIFE

Georgia 4-H provides experiences for youth to learn by doing. Georgia 4-H'ers participate in hands-on learning in the focus areas of Agriculture and STEM, Civic Engagement, and Healthy Living. The 4-H mission is to assist youth in acquiring knowledge, developing life skills, and forming attitudes that will enable them to become self-directing, productive, and contributing citizens.

Agriculture & STEM

Youth focus on agricultural sciences, natural resources, environmental sciences, plant and animal sciences, agribusiness, rocketry, robotics, renewable energy, computer science, technology, engineering, and more.

Civic Engagement

Youth learn to be well-informed and engaged citizens through experiences focused on leadership, communication, performing arts, public speaking, organization, giving back to improve communities, and more.

Healthy Living

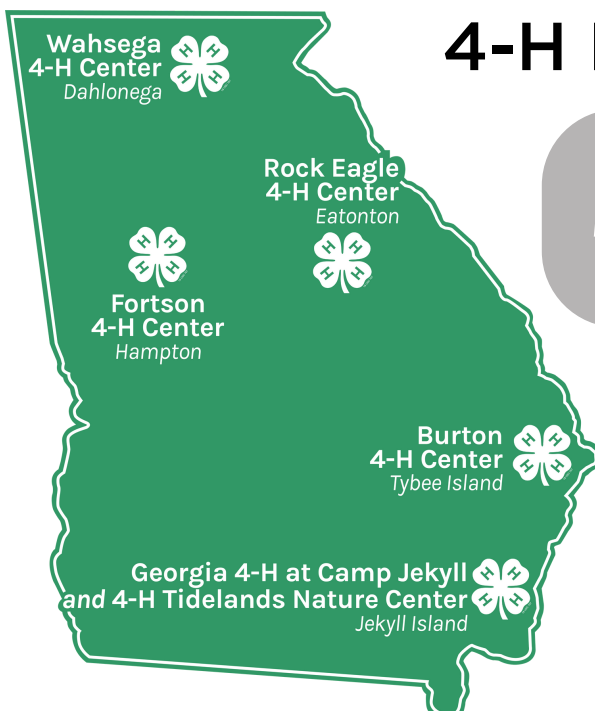

Youth focus on nutrition, obesity prevention, drug awareness, bullying prevention, health and fitness, financial literacy, clothing and textiles, safety, stress management, social and emotional wellness, food science, and more.
